

Lisbon, 15 February 2024

Invitation letter sent by e-mail only

Subject: Fourth webinar on the extension of the EU Emission Trading System (ETS) to maritime transport

Dear Sir/Madam,

The European Commission's Directorate General for Climate Action (CLIMA) and the European Maritime Safety Agency (EMSA) are pleased to invite you to the *Fourth webinar on the extension of the EU Emission Trading Scheme (ETS) to the maritime transport sector*, that will take place on **5 March 2024**, via Webex.

The webinar will be dedicated to:

- The Monitoring Plan applicable to the reporting period 2024 (Fourth Webinar, 5 March from 09h30 to 11h00 CET);

Participants are invited to register on-line for the event by **28 February 2024** at the latest through the following link: <https://extranet.emsa.europa.eu/e-register/ets4>

Please log-in using the following credentials:

Username: **registerets**
Password: **m2cgzhpr**

Please note that the registration process is personal and will allow individual access for the email recipients only¹. Webex links will be provided within capacity limits to registered participants on a first-come-first-served basis.

In the meantime, you may want to consult updated additional information on CLIMA's [maritime webpage](#), the [MRV FAQ](#) and the [EU ETS maritime FAQ](#), or [News & Activities - EMSA](#). The recordings of the previous webinars are also available [at this page](#).

For any further questions related to on-line registration please contact the Events Team (e-mail: events@emsa.europa.eu).

¹ The processing of personal data by EMSA, like in all the Union institutions and bodies, is regulated by Regulation (EU) 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions. The applicable rules related to personal data protection are available under the following link: <http://emsanet/index.php/personal-data-protection.html>
