

Lisbon,

Invitation letter sent by e-mail only

Subject: Second webinar on the extension of the EU Emission Trading System (ETS) to maritime transport

Dear Sir/Madam,

The European Commission's Directorate General for Climate Action (CLIMA) and the European Maritime Safety Agency (EMSA) are pleased to invite you to the *Second webinar on the extension of the EU Emission Trading Scheme (ETS) to the maritime transport sector*, that will take place on **24 November 2023** via Webex.

In the context of the 'Fit for 55' legislative package, the European Union recently adopted a revision of the EU ETS Directive, which will extend the EU ETS to maritime transport with a view to support the decarbonisation of the sector in line with the objectives of the European Green Deal.

As a follow-up to a first webinar organised on 22 September 2023 (the recordings are available at the following link: [ETS Webinar](#)), the European Commission and EMSA would like to present further developments, namely on secondary legislation on maritime MRV and ETS, and on key changes being implemented in THETIS MRV, the dedicated IT system for compliance with MRV obligations.

Participants are invited to register on-line for the event by **17 November 2023** at the latest through the following link: <https://extranet.emsa.europa.eu/e-register/ets>

Please log-in using the following credentials:

Username: *registerets*
Password: x5cHGcmk

Please note that the registration process is personal and will allow individual access for the email recipients only¹.

¹ The processing of personal data by EMSA, like in all the Union institutions and bodies, is regulated by Regulation (EU) 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions. The applicable rules related to personal data protection are available under the following link: <http://emsanet/index.php/personal-data-protection.html>

The agenda of the event will be published on the EMSA website in the upcoming days.

In the meantime, you may want to consult updated additional information on CLIMA's [maritime webpage](#), the [MRV FAQ](#) and the [EU ETS maritime FAQ](#), or [News & Activities - EMSA](#)

For any further questions related to on-line registration please contact the Events Team (e-mail: events@emsa.europa.eu).

Yours sincerely,

Manuela Tomassini
